

What makes
Bellair Expediting
the optimum choice
for domestic
and international
shipment and
freight delivery?

PERSONALIZED SERVICE

At Bellair Expediting, we do more than just move freight. Each of our offices functions as your partner in coordinating and managing the movement of your product or material so that it arrives safely at its destination.

LEGENDARY RELIABILITY

Bellair Expediting is on duty 24 hours a day, 365 days a year. Your shipments can be picked up and delivered within hours to virtually any destination, any time of the day, any day of the year.

AMAZING FLEXIBILITY

Maybe it involves flying a critical part by helicopter to a ship stranded at sea...or coordinating the shipment of a generating station weighing more than 400,000 lbs. from one country to another. Bellair is truly your one-stop shipping network.

services

HAND-CARRY

Bellair picks up your package and hand-carries it to a specified destination, anywhere in the world.

CHARTER

Exclusive use of cargo aircraft—from a small prop to a Lear jet, helicopter or even a 747—all available within hours of your call.

SAME-DAY/FIRST FLIGHT OUT

Your shipments are picked up by Bellair and placed on the next available flight to your specified destination, where a courier is waiting to deliver your shipments upon arrival.

9 A.M. OR EARLIER

Why should you wait until midmorning or later to have your shipments delivered? With Bellair, your shipments can be at their destination when you decide.

OVERNIGHT AIR

Shipments of anything from envelopes to skids are picked up by Bellair and delivered to your specified destination the next day—and all at competitive rates.

2ND-DAY AIR

When it is not critical for your shipment to arrive the next day, 2nd-day is a cost-effective option.

3-5 DAY DEFERRED

Still another cost-effective option when sending nonurgent shipments.

international services

Courier Service

Door-to-door express service for non-dutiable (documents) shipments. One- to two-day transit to most major cities worldwide at competitive prices.

INTERNATIONAL EXPRESS CARGO

Time-critical material is driven directly to the airport and consigned to the first available flight out.

INTERNATIONAL STANDARD

Where regular international service is sufficient, this cost-effective option includes air transportation to any worldwide destination on a timely basis.

INTERNATIONAL REMAIL

A Bellair representative picks up your mail and delivers it to the local Bellair Expediting Remail Center and it is sent via airlines to the proper international channels.

DELIVERY DUTY PAID

Our network of overseas agents clears shipments through customs and delivers them directly to the consignee's door. All clearance, delivery, duty and taxes can be billed back to you at your request.

OCEAN FORWARDING

This least expensive option enables you to have your shipment placed in a container aboard a cargo ship bound for the port city you designate.

DEDICATED TRUCKING (THROUGHOUT NORTH AMERICA)

This service provides you with the exclusive use of a van, straight truck or tractor-trailer to transport your shipments from point to point, anywhere in the U.S. and Canada.

WAREHOUSING, DISTRIBUTION AND PACKAGING/CRATING SERVICES

Bellair Expediting offers secure, temperature-controlled warehousing facilities near airport locations throughout the U.S. for storage of your inventory. You simply call, fax or e-mail us, and we will pull the item from your stored inventory, pack it and ship it to the designated destination.

TRADE SHOW/CONVENTION SERVICES

By utilizing the network of Bellair offices nationwide, we can transport, track and store all of your company's trade show inventories. Working from your itinerary, we can coordinate the entire show season for you.
